Alleenimporteurs N.V. FRELAT,
Keizersgracht 77, Amsterdam

R.K. Radio-Gids, 3^e jaargang nr. 93 van 8 oktober 1927

SHEER VALVE VALUE

If you can buy a valve that gives you the same service for the same length of time as a valve costing treble the money, it is obvious economy. A Frelat Valve costs 6/6.

It has a short price . . . but a long life. It means *cheaper* as well as better radio. It means cutting valve costs by one third. It is not coming to you without a good reputation. The Frelat is famous

already. And there are six types all costing the same price . . . all capable of the same trustworthy performance. We could continue telling you about Frelat Valves, but that would not be doing them full justice. We want you to test them in your set . . . give them a chance to show what a really low-priced valve can do.

6 TYPES 1 PRICE 6/6

Frelat

DARK EMITTER Valves
